Full foundation planting is required along side street on corner Lots.

An automatic irrigation system is required to cover all of the front and side yard areas on every Lot.

In addition to the variance powers of the Architectural Control Committee hereinafter set forth, the Committee shall have the right to grant a variance or waiver of the requirements of this section of the landscaping standards from time to time promulgated in such instance as it shall determine that such waiver is advisable in order to accommodate a unique, attractive or advanced landscaping concept, design or material and the resulting appearance, in the opinion of the Committee, will not detract from the general appearance of the neighborhood. No such variance or waiver shall be presumed and any such grant of variance or waiver shall be in writing.

Section 2.10 Necessary Temporary Facilities. Notwithstanding the other provisions of this Article, Declarant reserves unto itself and Builder Members acting as such the exclusive right to erect, place, and maintain such facilities in or upon any portions of the Properties as Declarant in its sole discretion may determine to be necessary or convenient while selling Lots, selling or constructing residences and constructing other improvements upon the Properties. The ACC will have full authority to grant or deny individual applications for approval without regard to its having previously approved or denied similar applications.

The ACC will grant or deny individual applications without regard to its having previously approved or denied similar applications.

GENERAL PROVISIONS

Section 1. Enforcement. If the Owner or occupant of any Lot shall violate or attempt to violate any of the restrictions or covenants set forth in this Declaration or any

supplemental or amended Declarations, it shall be lawful for the Association, Declarant, or any Owner to prosecute any proceedings against the person or persons violating or attempting to violate any such restrictions and covenants. The failure of any Owner or tenant to comply with any restriction or covenant will result in irreparable damage to Declarant and other Owners of Lots in the Subdivision; thus the breach of any provision of this Declaration may not only give rise to an action for damages at law, but also may be made the subject of an action for injunctive relief and/or specific performance in equity in any court of competent jurisdiction. In the event enforcement actions are instituted and the enforcing party recovers, then in addition to the remedies specified above, court costs and reasonable attorney's fees shall be assessed against the violator.

In addition to the remedies for enforcement provided for elsewhere in this Declaration, the violation or attempted violation of the provisions of the governing documents or Rule and Regulations by an Owner, his family, guests, lessees or licensees shall authorize the Board (in the case of all the following remedies) or any Owner (in case of the remedies provided in (d), below) to avail itself of any one or more of the following remedies:

- (a) The imposition of a special charge not less than Fifty (\$50.00) Dollars per violation; and/or
- (b) The suspension of Owner's rights to use any Association property for a period not to exceed thirty (30) days per violation, plus attorney's fees incurred by the Association with respect to the exercise of such remedy; and/or
- (c) The right to cure or abate such violation and to charge the expense thereof, in any, to such Owner, plus attorney's fees incurred by the Association with respect to the exercise of such remedy; and/or
- (d) The right to seek injunctive or any other relief provided or allowed by law against such violation and to recover from such Owner all its expenses and costs in connection therewith, including, but not limited to attorney's fees and court cost.

Before the Board may invoke the remedies provided above, it shall give written notice of such alleged violation to Owner, and shall afford the Owner a hearing. If, after the hearing, a violation is found to exist, the Board's right to proceed with the listed remedies shall become absolute. Each day a violation continues shall be deemed a separate violation. Failure of the Association, the Declarant, or of any Owner to take any action upon any breach with respect to any of the foregoing violations shall not be deemed a waiver of their right to take enforcement action thereafter or upon a subsequent breach or default.

Section 2. Security. The Association may, but shall not be obligated to, maintain or support certain activities within the properties designed to make the properties safer than they otherwise might be. Neither the Association, Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Properties (including, without limitation; within any Common Area), however, and neither the Association, the Declarant, nor any successor Declarant shall be held liable for any loss

or damage by reason or failure to provide adequate security or ineffectiveness or security measures undertaken.

Section 3. Release of Liability Related to Use of Common Facilities. Notice is given to all Owners and Tenants that the Association is authorized to operate all Common Facilities, including the swimming pool, without supervisory, security, or safety personnel. The Association may require each Owner and Tenant to sign a release in such form as the Association shall determine as a condition of use of the pool and other Common Facilities by the Owner or Tenant and their minor children and guests. By acceptance of a deed to any Lot and by use of any of the Common Facilities and/or permitting use of the Common Facilities by a guest or invitee, each Owner, Tenant, and Owner's or Tenant's guest is deemed to have agreed to the following:

- (a) Owners and Tenants are advised that the HOA may operate the Association pool without a lifeguard, fitness trainer, or other supervising person and will operate the other Common Facilities without security or supervisory personnel. Accordingly, each parent, guardian, or other adult responsible for the care or safekeeping of a child or other person unable to properly care for himself cannot rely upon the HOA or its agents to protect such child or other person unable to properly care for himself/herself or to regulate the conduct of those who use the pool or other Common Facilities. Owners and Tenants must assume personal responsibility for the safety and supervision of all minor and others under their care in connection with the use of the pool or other Common Facilities.
- (b) All Owners and Tenants are strongly encouraged to prohibit their minor children and guests from use of the swimming pool at all time when not supervised by a responsible adult. All Owners and Tenants are further strongly encouraged not to enter the pool except when another responsible adult is present.
- (c) Owners, Tenants, and guests shall be deemed to release and hold harmless the Association and its directors, officers, employees, and agents from all claims and liability for property loss or personal injury, including wrongful death, due to acts of negligence of Association and its directors, officers, employees and agents related to the condition or operation of the swimming pool and other Common Facilities. Such release and hold harmless expressly covers the decision by the Association to operate the swimming pool without a lifeguard or other supervision or security personnel and expressly includes any action based upon the unsafe, improper, or illegal conduct of another Owner, Tenant or guest or that of a trespasser. In addition, Owners and Tenants shall be deemed to indemnify the Association, its officers, directors, and employees, from and against all claims of personal injury or property damage filed by or on behalf of guest of such Owner or Tenant and related to the use or operation of the swimming pool or other Common Facilities.

(d) The provisions of this Section 3 shall be given effect to the fullest extent permitted by Texas law. To the extent, if any, that Texas law may limit the above waiver, the provisions of this Section 3 shall still be deemed effective as to all such other situations AND (1) Owners, Tenants and their guests, by use of the pool and other Common Facilities, shall be deemed to have agreed to limit their recovery for any occurrence to the limits and levels of insurance carried by the Association and in effect at the time of the loss and (b) Owners, Tenants, and their guests shall be deemed to hold harmless and claim against the Association's officers, their guests shall be deemed to hold harmless and claim against the Association's officers, directors, agents, and employees, hereby stipulating that the right of recovery against the Association and its insurance provide an adequate remedy.

(e) Owners, Tenants and/or their guests may be required to acknowledge the foregoing or similar provisions as determined appropriate by the Board of Directors of the Association and may be required to sign a release of liability in favor of the Association and its officers, directors and employees.

As used in this Section 3, the term "Tenant" shall mean and apply to every adult resident or occupant of a Lot who is not an Owner.

Section 4. Duration. This Declaration shall remain in force and effect until December 31, 2025, at which time, and each tenth anniversary thereafter, this Declaration shall be renewed for a period of ten years unless seventy-five percent (75%) of the Owners of Lots shall file a written agreement to abandon it.

Section 5. Availability of Project Documents. Copies of the Declaration, By-Laws, Articles of Incorporation and other rules concerning the Association, and the books, records and financial statements of the Association shall be available for inspection by Owners and by the holders, insurers and guarantors of first mortgages that are secured by Living Units at the principal office of the Association located at 4417 71st Street, Suite 41, Lubbock, Texas, during normal business hours.

In addition, the Association shall provide a statement for any preceding fiscal year if the holder, insurer or guarantors of any first mortgage that is secured by a Living Unit submits a written request for it.

Section 6. Termination of Legal Status of the Project. The Eligible Mortgage Holder representing at least sixty-seven percent (67%) of the mortgaged Living Units must approve the termination of the legal status of the project for reasons other than substantial destruction or condemnation of the Properties.

Section 7. Management Contracts. The Declarant shall have the right to enter into any and all professional management contracts prior to the date that control of the project is transferred to the Association, so long as such contracts do not exceed one year in duration. Such contracts shall provide to the Association a right to terminate, without cause, any time after the transfer of control without payment of any penalty or advance notice of more than thirty (30) days.

Section 8. Leasing Requirements. Any lease or rental agreement concerning the leasing of a Living Unit must be in writing and shall be subject to the requirements of this Declaration, the Bylaws and any other document promulgated by the Association. No Living Unit, Lot, or portion thereof shall be leased or rented for less than thirty (30) days.

Section 9. Rights of Mortgage Holders, Insurers, or Guarantors. The holder, insurer or guarantor of the mortgage on any Living Unit shall be entitled to timely written notice of:

- (a) Any sixty (60) day delinquency in the payment of assessments or charges owed by the Owner of any Living Unit on which it holds the mortgage;
- (b) A lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and
- (c) Any proposed action that requires consent of a specified percentage of Eligible Mortgage Holders.

To obtain this information, the mortgage holder, insurer or guarantor should send a written request to the Association, stating both its name and address and the unit's number of address of the Living Unit on which it holds the mortgage. The responsibility of the Association to notify or seek approvals from any holder, insurer or guarantor of a mortgage on any Living Unit is expressly contingent upon any such mortgage holder, insurer, or guarantor having registered its name, address, telephone number, person to contact and type and extent of its interest to the Living Unit with the Association.

Section 10. VA Approval. As long as there is a Class B Membership, the following actions will require the prior approval of the Veterans Administration:

- (a) Annexation of properties outside the areas described on Exhibit "A" hereto;
- (b) Dedication of Common Areas; and
- (c) Amendment of this Declaration of Covenants, Conditions and Restriction except for clerical corrections by Declarant as provided by Article III, Section 3, above.

ARTICLE X INSURANCE

The Association shall obtain and continue in effect comprehensive public liability insurance insuring the Association, the Declarant and the agents and employees of each and the Owners and respective family members, guest and invitees of the Owners against any liability incident to the Ownership or use of the Common Facilities, commercial

spaces, if any, and public ways, and including, if obtainable, a cross-liability endorsement insuring each insured against liability to each other insured, and a "severability of interest" endorsement precluding the insurer from denying coverage to one Owner because of the negligence of other Owners or the Association. The scope of the coverage must include all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for projects similar in construction, location and use. Coverage shall be in the amount not less than One Million Dollars (\$1,000,000.00) per occurrence, for personal injury and/or property damage. The Association shall at the discretion of the Board of Directors purchase director's liability and errors and omissions insurance, and the Association shall purchase fidelity coverage against dishonest acts by any directors, managers, trustees, employees or volunteers of the Association who are responsible for handling funds belonging to or administered by the Association. The fidelity bond insurance shall name the Association as the insured and shall provide coverage in an amount not less than one and one-half (1 ½) times the Association's estimated annual operating expenses and reserves. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers. The insurance policies required under this Article X shall be acquired from carriers meeting the qualifications of the Federal National Mortgage Association. All insurance premiums shall be considered common expense to be included in determining the level of assessments levied by the Association. The acquisition of insurance by the Association shall be without prejudice to the right of any Owner to obtain additional individual insurance.

ARTICLE XI TITLES

The titles, headings and captions that have been used throughout this Declaration are for convenience only and are not to be used in construing this Declaration or any part thereof.

ARTICLE XII INTERPRETATION

If this Declaration or any word, clause, sentence, paragraph, or other part thereof shall be susceptible of more than one or conflicting interpretations, then the interpretation, which is most nearly in accordance with the general purposes and objectives of this Declaration, shall govern.

ARTICLE XIII OMISSIONS

If any punctuation, word, clause, sentence, or provision necessary to give meaning, validity, or effect to any other word, clause, sentence, or provision appearing in this Declaration shall be omitted herefrom, then if is hereby declared that such omission was

unintentional and that the omitted punctuation, word, clause, sentence or provision shall be supplied by inference.

AMENDMENT TO DECLARATION

2007007854

AMEND
3 PGS

This Amendment to Declaration (the "Amendment") is executed as of the 3

day of November, 2006 (the "Execution Date") by **WILSHIRE**

DEVELOPMENT, L.L.C., a Texas limited liability company ("Owner") with reference to that certain Declaration of Covenants, Conditions and Restrictions (the "Declaration") for Wilshire Estates Subdivision Unit 1 Planned Unit Development, recorded in Volume _____, Page _____, Official Public Records of Lubbock County, Texas. Reference to the Declaration is here made for all purposes. Unless otherwise indicated, initially capitalized terms used in this Amendment will have the meaning given to them in the Declaration.

PREAMBLE

This Amendment is executed with reference to the following facts, intentions and understandings:

- A. Owner is the owner of at least ninety percent (90%) of the Lots, which Lots are subject to the Declaration. The amendment set forth below does not constitute a "material amendment" to the Declaration, as such term is defined in Article III, Section 3 of the Declaration. Accordingly, Owner may amend the Declaration as set forth below without the joinder of any other person.
- B. Article II, Section 4 of the Declaration creates certain easements on each Lot for the benefit of adjacent Lots. Questions have arisen concerning whether such provision of the Declaration creates an easement for eave overhangs from a Lot onto an adjacent Lot, and Owner executes this Amendment in order to clarify such ambiguity.

AMENDMENT

For a valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Owner hereby amends Article II, Section 4 of the Declaration by adding thereto the following language:

“In view of the fact that a residence may be set directly on the Zero Lot Line of a Lot, the eave of the residence located on such Lot may hang past the Zero Lot Line into the five foot (5’) Ingress-Egress and Maintenance Easement on the adjacent Lot or into the Common Area, as appropriate, but such overhang shall not exceed eighteen inches (18”). Roofs on the Zero Lot Line shall be built in a manner so as not to drain onto the adjacent Lot or Common Area, either by causing the slope of the roofs to run toward the front and back of the Lot or by sufficient gutter systems for any roofs which slope toward the adjacent Lot or Common Area.”

In the event it shall be determined for any reason that Owner does not have the authority to so amend the Declaration as to all of the Lots covered by the Declaration, then the foregoing Amendment nonetheless shall be effective as to all Lots and Common Area subject to the Declaration which are owned by Owner as of the Execution Date.

Owner hereby ratifies and affirms the Declaration, as amended by this Amendment.
EXECUTED and effective as of the Execution Date.
